Education

- August 2020 – June 2025* **Master in Communication Technology and Digital Security**
Five year program within cyber security and computer networks. GPA of B.
- August 2016 – June 2019* **Upper Secondary Education, Natural Science and Mathematics Program**
Valler Upper Secondary School. GPA of 6.18.

Work Experience

- June 2023 – August 2023* **Summer Intern at Visma Software**
Worked on a 5-person agile team to research and test the implementation of a docs-as-code approach to product documentation using Docusaurus. Developed a prototype platform to explore possibilities and limitations in the chosen framework, and migrated data from existing documentation to markdown. Used Js/ts and git.
- August 2022 – present* **Teaching Assistant, Security and Robustness in ICT systems**
Responsible for holding tutoring sessions and grading exercises for nearly 100 students during the fall semester and improving the mandatory exercise program during the spring semester. This has provided valuable experience in communication, both within the TA team and as a mentor to students.
- August 2022 – January 2023* **Facilitator Experts in Teamwork**
Responsible for facilitating teamwork for groups of 4th year students at NTNU, through sharing observations and organizing group activities to improve teamwork and self-reflection in teams.
- January 2022 – May 2022* **Teaching Assistant for TDT4100 Object-Oriented Programming**
Responsible for guidance and approval of weekly Java submissions for a group of 10 students. Gained experience with debugging and teaching programming.
- July 2019 – April 2020* **Aspiring Pilot at the Royal Norwegian Air Force Flight Training School**
Participated in the final phase of selection for military pilot training. Gained experience in leadership, teamwork, and keeping a cool head under pressure.

Volunteer work

- April 2022 – April 2023* **Member of Travel Planning Group**
Member of travel planning group for the excursion committee, responsible for all practical aspects of the excursion. Organized registration, flight and hotel bookings for 53 participants in Asia and Europe. Gained experience in leadership, communication, and structuring information.
- August 2020 – September 2022* **BedEx Event Organizer for Company Committee**
Worked in a team of three to organize the student association's annual trip to Oslo for 90 students in the fourth and fifth years of their degree. From two years in this role, I've gained experience with planning and executing a large project, as well as communicating professionally with various companies. The final year in this role, I also had the overall responsibility for BedEx, which gave me experience with project management.

Other

- Languages** Fluent in Norwegian and English.
- Technical Skills** Python, Java, JavaScript/TypeScript, git
- Interests** Violin, martial arts, and hiking. 6 times national champion in Karate, Senior and Junior Women's Team. Avid hiker, hiked Trondheim – Oslo summer of 2021.
